

Cleary Gull Honored by Department of Defense

The Wisconsin Committee for Employer Support of the Guard and Reserve (ESGR), an agency of the Department of Defense, honored Cleary Gull with a Patriot Award.

According to Dick Vallin, Wisconsin's ESGR Chair, "The Patriot Award was created by ESGR to publicly recognize individuals who provide outstanding patriotic support and cooperation to their employees, who like the citizen warriors before them, have answered their nation's call to serve."

The award was somewhat unusual and given to the entire firm of Cleary Gull, instead of one individual, due to the employees ongoing firm-wide support of Wisconsin National Guard and Reserve members.

As the 1.3 million members of the National Guard and Reserve continue to perform an increasing number of unique missions with America's borders and beyond, ESGR will continue to be the resource for the employers of citizen warriors. ESGR provides education, consultation, and if necessary mediation for employers of Guard and Reserve employees.

Michael Cleary accepts Patriot Award on behalf of all employees from Brigadier General John McCoy, Deputy Adjutant General for the Wisconsin Air National Guard.

"I am honored to work alongside these caring individuals and we are proud to show our support for those who serve our nation" stated Michael J. Cleary, Chairman and CEO.
